

Borough of Ambridge Curbside Recycling Program

The Borough of Ambridge provides curbside Recycling to the Borough of Ambridge Residents. Weekly curbside recycling pick up of glass, plastics, etc. is performed by Joseph J. Brunner, Inc. in conjunction with garbage hauling. Please see the schedule in the link below.

The Borough of Ambridge also provides curbside organic recycling to the Borough of Ambridge Residents on an “as needed” basis. Organics, consisting of bagged leaves, bundles of sticks, brush, etc., are retrieved by the Borough of Ambridge Public Works Department and sent to the Beaver County Waste Management composting station. If you are in need of organics pick up, please contact the Borough Administration Office at 724-266-4070 and we will dispatch the public works department to pick up your organics within a few days.
