

## **NEWS FROM CCBA:**

Committee to Clean & Beautify Ambridge (CCBA) was formed more than 15 years ago with the goal to clean-up Merchant Street and many store fronts that were vacant.

Since that time, many volunteers and groups have pitched in to make Ambridge cleaner and greener for everyone. Perhaps you have seen us picking up litter and planting trees for Earth Day; or working Saturday mornings tending to public gardens; or entered your home in the Curb Appeal Contest; or helped raise funds by attending our Annual Chili and Pierogi Cook-Off.

Some important information and dates to share:

- We encourage you to join the efforts by keeping your street facing property, alleyway, back yard areas litter free. The Committee will have window clings to display your participation in keeping your neighborhood, business or favorite space litter free. Watch for more details for this.
- April 24, 2021, 9:30 a.m. will be the Annual Community Wide day of planting, cleaning and greening. Anyone who would like to participate can meet at the Park Road Pavilion and groups will be formed to head out to plant trees, pick up litter and clean-up public gardens. Box lunch will be available back at the pavilion around 12 noon.
- Second Saturday of each month from May-November around 9:30 a.m. at P.J. Caul Park for planting and other related activities in the public gardens. Email [Beautify\\_Ambridge@yahoo.com](mailto:Beautify_Ambridge@yahoo.com) or stop by Mikush Appliance for more information.
- Planting colorful flowers and herbs in large pots or baskets in your front yard or business are easy to maintain and an inexpensive way to add value and vibrancy to home and neighborhood.

**We ask that you share this information with family and friends and consider joining us to clean and beautify our neighborhoods.**

**BEAUTY IS ONE OF THE THREE MOST INFLUENTIAL FACTORS IN COMMUNITY ATTACHMENT-  
LOYALTY TO OUR TOWN!**
