Mayor David Drewnowski
Office 724-266-4070

December Report

Mayor and Council;

Attached you will find the monthly lists of all reports submitted by the Ambridge Police Department for the month of November, 2019. Addresses have been redacted to protect the privacy of victims and other reporting individuals.

The 'Coffee with a Cop' monthly meeting will continue at the Laughlin Memorial Library, immediately following council session. Last month we discussed Body Worn Cameras with the public to start gauging opinion and ideas for policy purposes. We will continue these discussions and any other public concerns or questions.

Interfaith services and a bat mitzvah were celebrated at Beth Samuel Jewish Center without incident. Ambridge officers provided security.

License Plate Reader training was conducted for Ambridge officers on 05 November. The District Attorney informs us that there has been a delay in implementing the camera system at 4th St. and Route 65 but anticipates it will be operation within a month. We still have access to all other cameras in the several counties.

CARFAX for Police training was held for regional officers at the Beaver County Emergency Services Building on 21 November. Ambridge officers attended and the CARFAX database will be available for use by Ambridge officers in early December. This database allows officers to search registration plates, partial plates and Vehicle Identification Numbers for vehicle history and use.

This being the season for bank and other robberies as well as thefts of various sorts, we have directed patrol in the business district, including foot patrol and notifications to all banks to increase awareness. I have put aside some administrative functions to join the directed patrol.

Other routine reports are attached.

We are researching new vehicles including Ford Explorer, Ford F-150 and Dodge Durango, both FLEX fuel and CNG fueled.

Chief Romutis

During the month of November 2019 , Ambridge Task force officers along with members of the OAG and PSP conducted two search warrants in the Borough of Ambridge. The first one was on 13th Street in which the target was selling heroin that has been connecting to two overdose fatalities in Beaver county. The items seized in this search warrant was \$1,400.00 in US currency, 200 bags of heroin, 2 ounces of marijuana and handgun. The 2nd search warrant was conducted at 618 Melrose Ave. where crack cocaine and marijuana had been purchased from. An ongoing investigation from an Ambridge resident has also resulted in 2 arrest in which an individual had been selling in the Ambridge area. Those items seized were 41.6 grams of cocaine, 186 grams of marijuana, 3 handguns and \$7,100.00 in US currency and is still an open investigation.
