November Report

Mayor and Council;

Attached you will find the monthly lists of all reports submitted by the Ambridge Police Department for the month of October, 2019. Addresses have been redacted to protect the privacy of victims and other reporting individuals.

The 'Coffee with a Cop' monthly meeting will continue at the Laughlin Memorial Library, immediately following council session. We will be discussing Body Worn Cameras with the public to start gauging opinion and ideas for policy purposes. We are currently surveying police officers regarding Body Worn Cameras.

The Teen Buckle Up Informational and Enforcement Campaign was conducted with officers distributing literature at the High School and enforcing the seat belt laws throughout the borough. Several officers also attended training to present the classroom portion of the Teen Buckle Up Program.

Yom Kippur was celebrated at Beth Samuel Jewish Center without incident. Ambridge officers provided security.

Ambridge Area High School evacuation drill was conducted without incident.

Firefighters Memorial and Parade was held without incident.

A Reactive Knife Defense Class was hosted by Ambridge Police and River Valley Tang Soo Do Academy on Merchant St. for local law enforcement officers on 26 Oct.

Halloween Bags were distributed by Ambridge officers on Trick-or-Treat night. No problems experienced (except for the weather).

We are in the planning stages for implementing a Law Enforcement/Student Symposium regarding relations between police and students at Ambridge High School in mid-January, 2020. Support from the District Attorney, Sheriff, other local law enforcement, judges, magistrate, probation and parole, Penn State Beaver, the Beaver County Community Law Enforcement Coalition and Rep. Conor Lamb is expected.

Other routine reports are attached.
