DEPARTMENT OF PUBLIC WORKS

PUBLIC WORKS COMMITTEE

MONTHLY REPORT – NOVEMBER 2019

- Curbside leaf collection started on Monday, October 21st. Please pile your leaves in neat piles at the curb-line, do not park on top of your leaves. Program runs through December 6th.
- Grass Cutting is wrapping up for the year at Borough Properties, Parks, Rights of Way and Abandoned properties.
- Park Maintenance: fixed the dugout roof at Panek Park and added topsoil and grass seed to the football field to remove ruts. Water to all park restroom facilities and drinking fountains have been turned off for the season and winterized.
- One DPW employee worked the Tire Collection Event on 10/7/19 – 244 tires collected and properly disposed of.
- Street Light Blitz on October 16th, crew patrolled the entire town and logged 69 street lights out, placed ribbon on each pole to identify the out light and the office reported again to Duquesne Light. The Light Company was in town last week and fixed all of them.
- Catch basin repairs: crew rebuilt the following catch basins – 3rd & Maplewood, 400 block of Locust St., Pine & Ivy, 6th & Maplewood, and fixed a collapsed section of storm sewer pipe at the corner of Ohioview & 11th St.
- Electrician replaced burnt out street lights on Church Street and is working on replacing bad light ballasts on New Economy Drive.
- Equipment Maintenance:
 - Bucket Truck was inspected – did not need anything.
 - Red F-350 Dump Truck – brakes replaced
 - F-350 Stake body Truck – brakes replaced
 - Two trucks are now ready for snow / salt operations.
- Sign maintenance is on-going, replacing missing signs and repairing damaged locations.
 - Took down the street sweeping signs on streets that are no longer swept.
- Ongoing maintenance has been dedicated to filling pot-holes and repairs to multiple alleys.
- Foreman responded, marked and reported multiple PA-One Call requests.
