## Monthly Report October 2020

Mayor and Council:

Attached you will find the monthly lists of all visual alert reports submitted by the Ambridge Police Department for the month of October 2020. All privacy information has been redacted.

As of November 1, 2020, we have two officers off on Workers Compensation with knee injuries. We will be receiving updates in the month of November on a possible return date.

The Body Worn Camera grant was submitted by the October 15<sup>th</sup> deadline as required and we are now waiting to be updated on the award letter.

On October 30, 2020 the Police Department had another life saving event with administering Naloxone. Officer Swierkosz will receive a letter of commendation.

As of November 1, 2020, we are moving along with Civil Service for giving a Full-Time Patrolman test. We are hoping an eligibility list can be created by January of 2021. We also placed a new ad on our website for Part-Time employment opportunities.

Chief John A. DeLuca

Officer Nathan Swierkosz,

I am writing this letter of commendation for your courageous efforts that were displayed on October 30, 2020 at approximately 14:40 hours. The incident dispatched was for a female down and unresponsive for unknown medical reasons. Your quick response to the scene along with the ability to quickly process the situation and collect valuable information was imperative in this critical situation. Due to your quick reaction you were able to administer two doses of Naloxone to the victim which caused a reversal of an overdose before paramedics could arrive on the scene.

As a result of your efforts, a human life was saved. There were also three children under the age of 5 years old that were transported to the station. Arrangements were made with the family to take them to a safe environment. Mayor Drewnowski and I commend you for your commitment to your work and the citizens of Ambridge. Officer Swierkosz, you are an asset to the Ambridge Borough Police Department and the Community of Ambridge Borough. We are proud you are part of our organization.

Chief John A. Deluca

Mayor David Drewnowski
