Mayor and Council:

Attached you will find the monthly lists of all reports submitted by the Ambridge Police Department for the month of May 2020. All privacy information has been redacted.

Due to Covid-19 restrictions the Borough building is still closed to outside foot traffic and will possibly be opening soon due to changes in restrictions.

Attached you will find an evaluation on the Police Department that I submitted for your review. This evaluation is a brief overview and there will be more to follow soon.

Car 307 was damaged in an accident last weekend and is being evaluated by the insurance carrier to see if it is fixable. Officer Seng received minor injuries in the accident and is currently off work. All proper paperwork is submitted to the borough manager in regard to this accident.

Due to Covid-19 restrictions there was limited drug task force work performed. The drug task force officers will be starting back up some time in June 2020.

Best Regards,

Chief John A. DeLuca
