## February Report

Mayor and Council;

Attached you will find the monthly lists of all reports submitted by the Ambridge Police Department for the month of January, 2020. Addresses have been redacted to protect the privacy of victims and other reporting individuals.

The year started badly with a stabbing assault at a party on Glenwood St. on 02 Jan. However, the assailant was arrested.

Two officers were injured on 05 Jan when their cruiser was struck while they were stationary on Rt. 65 Northbound at Merchant St. Car 305 was totaled.

Another part-time officer is off with a broken leg sustained off duty.

An armed robbery occurred in the 500 block of Merchant St. on 24 Jan, however the actor fled without any property.

The 'Coffee with a Cop' monthly meeting will continue at the Laughlin Memorial Library, immediately following council session. Thanks to new council members for attending last month.

On 21 Jan Ambridge Police hosted a day long 'Youth/Law Enforcement Forum' at Ambridge Area High School. This forum included local law enforcement, Sheriff Guy and a deputy, representatives of the US Attorney's Office, Juvenile Probation/Parole and community leaders from the Beaver County Community Law Enforcement Coalition. The day included reverse role playing and break-out sessions in small groups where students discussed and interacted with attendees. Thanks to Principal Zupsic for her help.

Accompanying, find a copy of the 'Ambridge Elected Officials Survey' requested by Councilperson MJ Flannery at the Public Safety Committee meeting.

Four drug raids occurred by Ambridge officers in conjunction with the Attorney General's Drug Task Force: two raids on Locust Street, one on 8<sup>th</sup> St. and one on Merchant St. resulting in approximately 1.5 pounds of marijuana, 1+ ounces of cocaine, a small amount of crack cocaine, a recovered stolen firearm and approximately \$1500.00 seized.

The yearly report for 2019 tracking crime rates and trends will be delayed due to the Pennsylvania State Police website re-engineering process that shut it down from early December to 04 February.

Other routine reports are attached.
